

Name : **Mr. R. SARAVANAKUMAR**

Designation : Assistant Professor
Department of Mathematics

Qualification : M.Sc., M.Phil., PhD (Waiting for viva)

Date of Birth : 17.06.1993

E-mail ID : saravanatr3@gmail.com

Mobile Number : 7639353223

Address : 2/61, Bajanai Temple Street, P.Pudupatti,
Thiruchuli (TK), Virudhunagar.

Area of Specialization : Nonlinear Differential Equation

Area of Research : Differential Equation

Teaching Experience : -

Publications

1. **R. Saravanakumar**, P. Pirabakaran, M. Muralikannan, and L. Rajendran, '*Transient Current for a Rotating Disk Electrodes Produced by a Potential Step*', for publication in the 'Russian Journal of Electrochemistry' at Vol- 54 Issue Number-12, ISSN: 1023-1935, Feb-2018.
2. **R. Saravanakumar**, P. Pirabakaran, L. Rajendran, '*The theory of steady state current for chronoamperometric and cyclic voltammetry on rotating disk electrodes for EC' and ECE reactions*', for publication in the 'Electrochimica Acta' at Vol-313, ISSN: 0013-4686, April-2019.
3. **R. Saravanakumar**, P. Pirabakaran, Marwan Abukhaled, and L. Rajendran, '*Theoretical*

analysis of voltammetry at a rotating disk electrode in the absence of supporting electrolyte, for publication in the 'Journal of Physical Chemistry B' at Vol-124,ISSN: 1520-6106, June- 2020.
